

An opportunity to gain valuable health and safety qualifications and develop new health and safety competencies.

The details below offer excellent opportunities to gain a recognised national qualification through the '**IOSH Leading Safely**' programme, as well as develop skills and awareness in employer engagement teams through the '**Learner Health and Safety Systems**' programme.

Both programmes are being delivered at Waterbridge house, Loman street as follows:

- **IOSH Leading Safely – Thursday 23rd June - 9.45am to 3.30pm £175 per person**
- **Learner Health and Safety Systems - Wednesday 22nd June – 10am to 3.30pm £125 per person**

Special offer – Buy 1 place on the IOSH Leading Safely programme and get 1 place on the Learner Health and Safety Systems programme for £95.

IOSH Leading Safely

This course is fresh, dynamic and rewards those who make a undertake the programme with an opportunity to set **commitments to clear objectives** on completion, linked to an initial and unique **diagnostic questionnaire**. The course lasts 5 hours, is up to date with all the appropriate content and new guidance including the recent '*sentencing guidelines*' (Feb'16). It is suited to anyone who leads and gives direction on health and safety in the organisation. The course fee includes access to an '**App**' allowing attendees ongoing support from a Health and Safety community supported by IOSH and other key bodies.

Learner Health and Safety Systems – Stop pretending its Working!

Have you checked the **effectiveness** of your health and safety system or are waiting for someone or something to check it for you? Is it **cost effective**? What does your system look like? **Learner agreements, employer health and safety checks, staff competence.**

This interactive workshop, is facilitated to allow you to judge the effectiveness of your system, or the absence of one, against the current HSE guidance, best practice requirements and the experience of a competent, DTD Training and trainer with over 17 years experience in the sector.

Can you afford not to attend? Can you afford not to see where your system and its operation really is and can benefit from identifying improvements, and preparing for the changes ahead.

All enquiries and bookings are to be made via DTD Training Ltd on :-
