## Course fee

£100 for all delegates employed in SFA funded organisations (this covers the whole course and is subsidised by the Education and Training Foundation)

## How will teachers benefit?

The programme aims to support teachers to

- Self-assess their needs with regard to the subject content of GCSE English language
- Develop their subject knowledge and confidence in teaching English at this level
- Consider pedagogical approaches
- Gain a deeper understanding of the content of GCSE English language and of the needs of learners who are taking or re-taking the qualification
