

GCSE Mathematics Enhancement Programme - - - Year 2

Are you keen to develop your knowledge and skills in order to teach higher level GCSE maths? For the second year running LONCETT is offering GCSE Mathematics Enhancement programmes for the London region, to consider those areas of GCSE mathematics that are not addressed on other Level 2 mathematics courses.

The four subject content modules are:

- *Statistics and data handling*
- *Algebra*
- *Geometry*
- *Trigonometry*

Course dates

Three 6-day programmes have been organised for the following dates at the Institute of Education

Course 1: Saturdays

13-Dec-14
17-Jan-15
31-Jan-15
14-Feb-15
07-Mar-15
21-Mar-15

Course 2: Fridays

23-Jan-15
13-Feb-15
13-Mar-15
17-Apr-15
08-May-15
05-Jun-15

Course 3: Saturdays

31-Jan-15
21-Feb-15
21-Mar-15
25-Apr-15
16-May-15
13-Jun-15

Sessions are whole days, with lunch provided, and participants are expected to attend all six sessions.

Course fee

£100 for all delegates employed in SFA funded organisations (this covers all six one day sessions and is subsidised by the Education and Training Foundation)

How will teachers of mathematics or numeracy benefit?

The programme aims to support teachers to

- Self-assess their needs with regard to the subject content of GCSE mathematics
- Develop their subject knowledge and confidence in teaching mathematics at this level
- Develop their pedagogical skills, including making appropriate use of technology to engage learners in mathematics
- Have access to a range of resources for teaching GCSE mathematics
- Gain a deeper understanding of the content of GCSE mathematics and of the needs of learners who are taking or re-taking the qualification

Booking a place

1 Complete a Booking Form.

For a subsidised place of only £100, please indicate on the booking that your employer agrees to support your attendance on the course and they will be invoiced directly by the IOE.
