

## Early Years Maths Vitalisers for Vocational Practitioners

Are you an Early Years specialist supporting trainees with their maths skills?

Are you looking for a training course to help you in this role?

The Education and Training Foundation has a range of maths CPD opportunities on the [ETF Maths Pipeline](#). Included is this offer for specialists in the Early Years sector.

The **London Work Based Learning Alliance** is hosting an Early Years Maths Revitaliser course for members in the New Year

on

**Wednesday 27 January 2016, 09.45 to 16.00**

at LWBLA, Waterbridge House, Loman Street, SE1 0EH

There will be a fee for this training subsidised by the ETF, payable to LWBLA

### About the training

The Early Years Maths Revitalisers ([mathsvitalisers.wordpress.com](http://mathsvitalisers.wordpress.com)) support vocational practitioners to identify and develop maths; discover techniques to develop learners' confidence and abilities; help learners improve their maths at the same time as developing their vocational skills.

Maths Vitalisers are blended-learning programmes, comprising:

- a short **pre-session** task
- a **full day, face to face training**
- a (confidential) **self-assessment** of own maths abilities and confidence
- signposting to **online learning** to develop personal maths
- a national forum to share ideas and approaches

**TO BOOK:** please contact Nicola at LWBLA, [Nicola.mayell@lwbla.com](mailto:Nicola.mayell@lwbla.com)

**QUERIES:** email Pip Kings at LONCETT, [p.kings@ioe.ac.uk](mailto:p.kings@ioe.ac.uk)

*There are also maths vitaliser courses for secure estates (not vocationally-contextualised). Dates for these courses will be released soon at [mathsvitalisers.wordpress.com](http://mathsvitalisers.wordpress.com)*

This training is provided by emCETT and has been commissioned and funded by The Education and Training Foundation
